

## Ferrite Bead Size 4030

- 100% Lead(Pb) & Halogen-Free and RoHS compliant
- AEC-Q200 qualified
- Operating temperature: -55 to +125 °C (including self-temperature rise)
- Power Line filter for body controls,electromotor and car multimedia etc.

### Dimensions: [mm]

### Electrical Properties:

Part No	Impedance @25MHz ( )	Impedance @100MHz ( )	DC Resistance Max. (m )	Temperature Rise Current $\Delta T=40^{\circ}C$ Typ. (A)	Temperature Rise Current $\Delta T=60^{\circ}C$ Typ. (A)
FBFA4030-530-152R	35±25%	53±25%	0.60	15.0	18.0

### Typical Electrical Characteristics:

#### Impedance VS Frequency
